In this game, victory is determined not by twitch reflexes, but by superior tactics. DOTA 2 BATTLE PASS PREVIEW For the last few weeks, we've been running a Friends and Family Beta, and today we're expanding it to include all Dota 2 Battle Pass owners. With your help, we'll be stress testing our servers as we prepare for our Open Beta. In the preview version, you'll be able to: Play online against seven other players. Practice offline against our lineup of advanced bots (from easy to hardcore difficulty). Party up and play together against bots or other players. Battle Pass owners can find a link to add Dota Underlords to their Steam library on the Dota 2 dashboard. After approximately a week of stress testing, we'll transition to Open Beta. Dota Underlords OPEN BETA Download for Android: Once the open beta begins, Dota Underlords will be available to everyone for free on Steam (Windows, Mac, and Linux), Android, and iOS. In addition, the team will be enabling the first set of new features, including: Ranked matchmaking. Cross-play across all devices. Rank and progression shared across all devices. Because the game is in active development, both the Preview and Open Beta have one important thing in common: we'll need your help to make the game the best it can be as we work towards Season One of Dota Underlords on official site.
